(2021) Shanghai Market Regulatory Inspection No.135

JS 23 07 6 00 06 1

Test Report

Product Name: Single component of aqueous white

Specification and model: At 20kg / barrel of WD0018

Sampled producers and sellers: Shanghai Yitian Coatings Co., Ltd
Provincial supervision and spot check

Inspection Category:

Shanghai Research Institute of Quality Supervision and Inspection Technology Shanghai Institute of Quality Inspection and Technical Research

Shanghai Research Institute of Quality Supervision and Inspection Technology

inspection report

Report number: JS2307600061

Page 1 of 4

Mission source	The Shanghai Municipal Market Supervision and Administration Bureau ZJ202307J 1023			kind of inspection	Provincial supervision and spot check
Name of the sampled producers and sellers	Shanghai Yitian Coatings Co., Ltd			Name of the e-commerce platform	/
Product nominal information	product name	Single component of aqueous white		specifications and models	At 20kg / barrel of W D 0018
	Producer name	Shanghai Yitian Coatings Co., Ltd			
	bar code	/		date of manufacture	2023.6.26
	quality grade	conforming article		trademark	A field
Sampling date	2023.06.26	Description of the sample status	Barrel liquid, seal	Sample batch	400kg
Number of test samples	0.4kg	Number of spare samples	0.4kg	Location of storage of standby samples	inspection body
To the sample date	2023.06.26	Sampling list number	0174529	E-commerce purchase sample order number	/
Sampling location	finished goods warehouse				
inspection standard	<div>顾春思</div> <div>2020 Low with low (20 Limit of harmful s</div> <div>蒋莹</div> <div>trial protective coatings</div> <div>肖心亭</div>				

Judgment basis	SHSSXZ 0147-2023 paint Shanghai municipal product quality supervision and spot check implementation rules
examination date	From July 07,2023 to July 27,2023
inspect the conclusion	<p>After sampling inspection, the product quality supervision and sampling inspection items in line with the above inspection basis.</p> <p>(Special seal for inspection report)</p> <p>Date: August 04,2023</p>
remarks	<p>The inspection conclusion of this report is based on the inspection basis / judgment basis only for the items inspected, and does not mean that the items or functions that have not been tested meet the requirements.</p> <p>Single component packaging paint for other categories; spray finish</p> <p>Expiration date: January 22.26,2023</p> <p>A list of notes, statements and lists of affiliated units are part of this report.</p>

statement

Statement

1. The quality inspection agency shall ensure the scientificity, fairness and accuracy of the testing, be responsible for the testing data and results, and keep confidential the samples and technical data provided by the customer. SQI pledges to conduct scientific, impartial and accurate testing, undertakes the liability of testing data and results, and protects the confidentiality of client(s)' sample(s) and technical information.
2. If there is any objection to the entrusted test report of sample delivery, it shall be submitted to the quality inspection agency within 15 days from the date of receipt of the report, and the overdue report will not be accepted. Any objection to the test report of delivered samples shall be submitted to SQI within 15 days from the date of receiving the report; overdue submission will not be accepted.
3. For the test report sampled by the non-essential inspection institutions, the test results are only applicable to the samples provided by the customer.
For the test report not sampled by SQI, the test results hereon refer only to the sample(s) provided by the client.
4. Without the consent of the quality inspection agency, the client shall not use the testing data and results for improper publicity without authorization.
Without prior approval of SQI, any client shall not use the testing data and results for improper publicity.
5. The quality inspection institution, within the scope of the qualification certificate, shall mark the data and results of the society and mark the qualification mark of the institution and stamp the special seal for inspection and testing. Outside the scope of capacity determined by the qualification certification certificate, the inspection and testing report or certificate issued shall not be marked with

the qualification certification mark of the inspection and testing institution, and the data and results shall not have the supporting effect to the society.

Within the capacity scopes of Qualification Accreditation Certificates, SQI shall issue data and results with proving effect to the society with the symbol of China Inspection Body and Laboratory Mandatory Approval (CMA) and the special seal for inspection and testing of SQI. Beyond the capacity scopes of Qualification Accreditation Certificates, SQI shall not issue test reports or certificates with the symbol of China Inspection Body and Laboratory Mandatory Approval (CMA), and the data and results thereon have no proving effect to the society .
